Video Recording Instructions

1. Find the lyrics for "**Sometimes By Step**" at the bottom of the page. Be sure to note when 'your' turn is to sing!
2. Listen to the recording of your song. Sing along to learn.
3. When you are ready to record a video, listen to the song recording using **headphones** so that the music of the recording is not heard in the room.
4. If more than one singer in a household, you can be recorded together by listening to the recording at the same time while sharing earbuds.
5. On a separate device (phone or tablet) take a video of yourself singing. Record yourself through the entire song, even when you're not singing. It may feel awkward but enable us to edit you in and out of the choir as needed.
6. Be sure to use **Landscape Mode** and **1080p format** (very important!) and have the singer's shoulders and upper torso visible in the video.
7. 1080p Format: On your device, go to "Settings" and choose Camera/ Video. Set your video to record at 1080p or "high efficiency" on some phones. **If you are having trouble with setting the format, please reach out! We can convert your video to 1080 but it will lose quality.**
8. Stand to sing!
9. If you're using lyrics (below), position words **above** and **behind** the camera so that you are looking up when singing.
10. Don't worry about perfection. Just sing!

Sometimes By Step

Verse

Sometimes I think of Abraham
How one star he saw had been lit for me
He was a stranger in this land
And I am that no less than he
And on this road to righteousness
Sometimes the climb can be so steep
I may falter in my steps
But never beyond Your reach

Chorus 1

Oh God You are my God
And I will ever praise You
Oh God You are my God
And I will ever praise You

I will seek You in the morning
And I will learn to walk in Your ways
And step by step You'll lead me
And I will follow You all of my days

Chorus 2

Oh God You are my God
And I will ever praise You
Oh God You are my God
And I will ever praise You

I will seek You in the morning
And I will learn to walk in Your ways
And step by step You'll lead me
And I will follow You all of my days

And I will follow You all of my days
And I will follow You all of my days
And step by step You'll lead me
And I will follow You all of my days
